

## Exciting opportunity for an Ambitious and Talented Senior Ecologist

### The Opportunity

A great opportunity has arisen for ambitious and enthusiastic Senior Ecologist to join the growing team at James Blake Associates. You will be providing support to the Ecology team, whilst leading on a wide range of projects, getting great training and exposure. This is a fantastic opportunity to realise your ambitions and join a great team of like-minded Ecologists.

### Location

Home Working/ Bury St Edmunds Office/ Site.

### Who We Are?

We are a well-established (32 years), award winning, multi-disciplinary practice with professionals in Ecology, Landscape Architecture, Landscape Planning and Arboriculture, based in Suffolk, and proud of the culture, values, team spirit and vision we share – **‘together, making a difference, creating better, greener places and brighter futures.’**

We specialise in the retention and incorporation of greener and more natural Green Infrastructure into residential development but also carry out consultancy services for all sectors including commercial, leisure, local government and infrastructure/ utility projects.

### The Role

We are looking for highly motivated, enthusiastic and team orientated Senior Ecologist who is passionate about their profession and committed to their career progression. In return JBA offer support and professional development to facilitate your career ambitions. To be successful in this role, your knowledge, skills, experience, and attributes will include the following:

- BSc or equivalent qualification in Ecology, Biological Sciences or similar
- Minimum 3 years post graduate experience
- At least 1 Protected Species licence, ideally Bats or GCN
- Associate membership of CIEEM
- Excellent analysis and report writing skills, together with People Management Experience
- Full clean UK driving licence
- Professional, enthusiastic with a positive personality - happy to engage with clients and colleagues alike.

### We Offer

- A competitive salary for the right experience
- Flexible working arrangements
- Strong continuous learning culture
- Opportunities for promotion as the team grows
- Funding towards annual professional institution subscriptions
- Great team spirit and the opportunity to work in a multi-disciplinary environment
