

# JAMES BLAKE

A S S O C I A T E S

## Calling all Landscape Architects

Are currently working as a Landscape Architect or Senior Landscape Architect and are experiencing lack of flexibility in your work? Do you feel that you are not working to your full potential? If so we would love to hear from you!

### Why join our visionary team?

- You will have flexibility in the role
- You can work hybrid or fully remotely (depending on level of experience and knowledge)
- We provide Training and support to reach your career aspirations
- Feel at one with the team working towards a common purpose
- Rewards high standards and hard work

### We are seeking creative thinkers who can inspire, engage and enrich communities across a diverse range of projects

- You will thrive on working with a team to drive success
- Bringing on great talent and mentoring is second nature to you
- You will get a kick out of working in an inclusive environment
- Cultivating strong relationships with clients is one of your key strengths
- You will be passionate champion for sustainable design
- You will have the skills to interact with different personality styles that may be different to yours
- Delivering on multiple projects and prioritising workload efficiently is a strength of yours
- You enjoy encouraging strong community engagement

### We will keep you engaged and fulfilled

- **Salary:** £30,000 - £55,000 per annum - depending on experience and qualifications
- **Flexible working arrangements:** home, office, site – you decide so long as its UK based
- **Great package:** Private Healthcare, Pension, free snacks and drinks to keep you smiling
- **Team events:** Themed seasonal events and regular charity initiatives to help our community
- **Ongoing Training:** we are committed to achieve your dreams CPD weekly session
- **Professional membership:** payment of licences and membership fees to help you grow and learn
